# BENEFITS OF UNIFORMS

## CREATE BUSINESS IMAGE

Society tends to judge people by how they dress. Choosing an appropriate employee uniform can establish a professional business Image that attracts and retains customers.

## EQUALITY

One major benefit of a uniform is that it reduces anxiety for your employees over what they should wear work and saves them a lot of stress in the morning. It takes away the pressure of not keeping up with fashion trends and having the latest clothing.

## PROFESSIONALISM

Uniforms give employees a professional and an executive look. This pleases a customer when they first see the employee of a company they are working with. Arranging for uniforms will prevent any dress code violations you rather want to avoid.

## IMPROVE SECURITY

Company uniforms featuring specific styles or colors quickly identify who does or does not belong in specific work areas or on job sites.

## TEAM SPIRIT

Putting on the same uniform as your co-workers can create a team spirit within your company. No matter how high up a person might be in a corporation, uniforms put everyone on the same platform

## FREE ADVERTISING

Well-designed work uniforms worn in public display helps in promoting the Company's products and services For free of cost.

## PROMOTE A BRAND

When employees wear uniforms displaying corporate logos and colors, they help differentiate their business in the markets they serve

## PROTECT WORKERS

Uniforms deliver functional benefits, like wearer safety. For example, high visibility uniforms can help protect workers from being struck by vehicles.

## EMPLOYEE BENIFITS

How often do you look in your wardrobe and just can't find anything to wear? Work uniforms automatically eliminate this problem for you. Not only is this beneficial to a company, but it also makes life easier for employees as well.

### Corporate Attire

Business formal is similar to “black tie,” but should be reserved to maintain professionalism. Business formal for women might include a dark pants suit, skirt suit or suit dress. In some cases, a long evening dress may be appropriate. Shoe options include formal flats, heels, oxfords or loafers.

### Hotels-Catering Uniforms

A typical chef uniform is a chef’s jacket, chef pants, a hat, a neckerchief, an apron, good slip-resistant shoes, and sometimes a hand towel. Even if you aren’t required to wear all parts of the ensemble, your chef uniform still serves a purpose.

## Hospitality Uniforms

Suits, blazers, suit vests and suit pants are common for men, while ladies can wear A-line skirts, pants, and suit coats. If you have not made up your mind about hotel workwear, particularly for your female staff, you can find a few high-quality options here. In your restaurant, you employ cooks and chefs.

## Medical Uniforms

In the healthcare industry, uniforms and clothing are of the utmost importance. Uniforms protect employees from contaminants and make an employee's job easier; each uniform and clothing item serves its own purpose, whether it's a lab coat or a set of scrubs.

## Industrial Work Wear

Workwear is clothing worn for work, especially work that involves manual labour. Often those employed within trade industries elect to be outfitted in workwear because it is built to provide durability and safety. The workwear clothing industry is growing and consumers have numerous retailers to choose from.

## T-Shirts

A T-shirt, or tee shirt, is a style of fabric shirt named after the T shape of its body and sleeves. Traditionally, it has short sleeves and a round neckline, known as a crew neck, which lacks a collar. T-shirts are generally made of a stretchy, light and inexpensive fabric and are easy to clean.
